Eagle Claw

CAST for Kids is an extraordinary outdoor event, which teams up sponsors with area youngsters for a day of fishing enjoyment. Children with disabilities or long-term illness, and other disadvantaged youth learn to fish while sponsors learn about living with limitations. The event is coordinated in partnership with the Kansas Highway Patrol, Kansas State Troopers Association and Kansas Department of Wildlife and Parks. Metro area business organizations and agencies help make this event possible with donations. Expert anglers, volunteers, and product sponsors are matched with kids with special needs/or at-risk children. For some of these children, this is the first opportunity to fish. What a thrill this day is!

The Kansas Highway Patrol and Kansas State Troopers Association along with Kansas Department of Wildlife and Parks and volunteers from numerous Bass Clubs and other agencies donate their time and efforts to organize this rewarding day. Not only do the young anglers get to spend the day with Kansas State Troopers they get to fish with some of the best Bass Anglers/fishermen in Kansas and the Midwest. After fishing they and there boater are treated to a scrumptious barbecue lunch and awards ceremony. As boaters you will be presenting the award plaques to the children. All major news media will be invited to attend.

Our event this year is scheduled for 8:00 AM, Saturday, June 12, 2010 at Shady Creek Marina, El Dorado Lake. You can check out last year's event at www.castforkids.org or www.tomspencerbassin.com. **I am looking for Bass, Walleye, Crappie fisherman with boats who would like to assist with this special event. We have fifty children and need fifty boaters. We need your help to make this event a success!!** If you would like to volunteer please contact me so I can get you on our boater list.

Please volunteer and help a Special Child Catch a Special Thrill you won't be sorry!!!

My sincere thanks,
